AF INTEL FORM 10-1 (10-1)

DATE OF REPORT

15 August 1957

(Unclassified) DIRECTORY OF RAILROAD STATIONS IN YUGOSLAVIA - 1953

STAT

1. This report is a translation of the monograph entitled: "Directory of Railroad Stations in Yugoslavia - 1953" (Imenik Železnickih Stanica FNRJ-1953), published by the Main Directorate of Yugoslav Railroads, Beograd, 1 April 1953, 252 pages.

- Forwarded herewith is a translation of the monograph entitled: "Directory of Railroad Stations in Yugoslavia - 1953" (Imenik Železnickih Stanica FNRJ-1953), published by the Main Directorate of Yugoslav Railroads, Beograd, 1 April 1953, 252 pages.
- The monograph offers a detailed tabular review of all the railroad stations, stops, and freight stations of the Yugoslav railroad lines (including the Zagreb - Samobor Municipal Railroad Line) which are open to public use, listing the types of railroad services and installations available at each of these, their administrative and financial subordinations, and special remarks (i.e. industrial sidings, plants, STAT military plants or units, operational or military shipments, etc), as needed. This Directory supersedes the Directory of Railroad Stations in Yugoslavia, dated 1 October 1948, while all further corrections, changes and supersedures are published in the Tarifsko-transportni Vesnik (Tariff - Transportation Herald).

DIRECTORY OF RAILROAD STATIONS IN YUGOSLAVIA - 1953

Explanation of Abbreviations and Symbols

Column	Symbol	Explanation
1		The names of stations, stops and freight stations are listed alphabetically.
	⊖	This symbol means that the direct forwarding of passengers, baggage, express freight, and dogs which are considered as baggage, is not allowed in traffic with stations of the other lines.
	\$	This symbol means that the direct forwarding of baggage, express freight, and dogs which are considered as baggage, is not allowed in traffic with stations of the other lines.
	#	This symbol means that the direct forwarding of freight is not allowed in traffic with stations of the other lines.
	##	This symbol means that the station, stop or freight stop concerned has no rail connections with stations of the other lines.
	\$\$	This symbol means that the direct forwarding of passengers, baggage, dogs, express freight and freight, with the exception of military shipments, is not allowed in traffic with the stations of the other lines.
60, 75, 76, 100		These numbers indicate the width of the narrow-gauge track on which the station is situated. (in cm)
1 60, 1 75, 1 76, 1 100		These symbols mean that the station concerned is situated on standard-gauge and narrow-gauge lines. Where these numbers are missing the station lies on a standard-gauge line.
	()	When station in question is not an independent financial administrative unit then its financial administrative station is given in parentheses.
- - - -		
2	B	This means the station belongs to the Beograd Railroad Directorate.
	Lj	This means the station belongs to the Ljubljana Railroad Directorate.
